Govt scared, has turned anti-CEC protests against themselves: CJP

NEW DELHI ■ (TSIT): The Cockroach Janta Party (CJP) on Sunday claimed that troops from "Naxal (Maoist)-affected and border areas" have been brought in to enforce curbs in the national capital to restrain protests, as it reiterated its demand for the resignation of Chief Election Commissioner (CEC) Gyanesh Kumar over alleged irregularities in the Special Intensive Revision (SIR) of electoral rolls.

Addressing a press conference hours after being released by a Delhi court following preventive arrest, CJP co-convener Saurav Das said: "The entire city of Delhi has been turned into a cantonment for the last few days."

"Between 30,000 and 40,000 security personnel have been called in. Troops from Naxal-affected areas, Bengal and Kashmir, including BSF personnel from border areas, have been airlifted to Delhi. More than 40,000 personnel have reportedly been deployed, and the city has been placed under heavy restrictions," he claimed.

"This is creating a major problem. If you want to create a negative atmosphere around protesters and a certain movement, you do not just make things difficult for the protesters; you also create problems for ordinary citizens who may not even be participating in the protest. This creates a negative image of the movement, and that is exactly what is happening in Delhi," he stated.

Das added that the closing of metro stations, suspending trains coming to Delhi from other states, and shutting shops are affecting ordinary people.Mentioning that Sunday might have witnessed more footfall at shops, he said: "What purpose does shutting shops serve? The government believes this will create a negative atmosphere against the youth and this movement.

Musk says Starlink must be affordable in India

NEW DELHI: Tech trillionaire Elon Musk has said Starlink's pricing in India would have to be made affordable, since no one would buy it if it were too expensive, and argued that competition would give consumers more choice. Musk's comments on X, part of a larger post, come as Jio Platforms, the digital arm of Reliance Industries, counts down to what is expected to be India's biggest public offering.

"The reality is that competition would greatly benefit the average citizen in India by giving them more choices, as it always does. Ambani's profits will be lower, but he is not going out of business,"

Musk said.

Musk added: "And, obviously, if Starlink is too expensive in India, no one will buy it, so SpaceX will need to make pricing affordable." In the same post, Musk renewed his attack on Mukesh Ambani over Starlink's entry into India, accusing the billionaire's supporters of indulging in "absurd hypocrisy and hyperbole" in arguing simultaneously that his satellite internet service cannot compete with "amazing low prices offered by Ambani's de facto monopoly in India", and claiming - in the same breath - that it poses a strong competitive threat.

"On the one hand, they say Starlink couldn't possibly compete with the amazing low prices offered by Ambani's de facto monopoly in India and then, in the same breath, they essentially claim that Starlink would be too strong of a competitor! This is absurd hypocrisy and hyperbole," Musk wrote, claiming that the "ridiculous arguments" by Ambani's online supporters made no sense to him.

Trump declares Russia-Ukraine energy ceasefire

Washington, Oct 11 : US President Donald Trump on Sunday announced an immediate "energy ceasefire" between Russia and Ukraine, saying both sides had agreed to stop attacking each other's energy infrastructure, even as Ukrainian President Volodymyr Zelensky said he had not been informed and Moscow offered no confirmation. "Effective immediately, there is an ENERGY CEASEFIRE in the War between Russia and Ukraine. Both parties have agreed. Do not break it! Thank you for your attention to this matter," Trump wrote on Truth Social.

The White House repeated the announcement on X about 20 minutes later. "Effective Immediately: An Energy Ceasefire in the War between Russia and Ukraine," it posted.

Trump did not say when the truce was agreed, which facilities it covered, how long it would last, or how it would be monitored.

Neither the Kremlin nor the Ukrainian government issued a formal statement confirming the arrangement in the hours after the post.

Zelensky, speaking to Axios shortly after the announcement, said he had not known about it but would accept a truce if Moscow did. "The ceasefire announcement was news for me. But if Russians agree to an energy ceasefire, Ukraine will agree," Zelensky said.

"If President Trump negotiated it with Putin - please tell us when the ceasefire begins - we are ready and we will accept it," he added.

A senior Ukrainian official told the Kyiv Independent that Kyiv had no information about the ceasefire and doubted that Russia had been informed. Earlier on Sunday, Zelensky had offered a reciprocal halt. "Ukraine will be ready to stop striking Russian oil refineries if Russia stops striking our energy infrastructure," he wrote on X, adding that any de-escalation must be mutual and backed by real guarantees.

The announcement came two days after Trump unveiled an agreement with Russian President Vladimir Putin to release Russian diesel into American and global markets, a move criticised by Ukraine, European officials and US lawmakers from both parties.

The Treasury Department's Office of Foreign Assets Control (OFAC) issued General License 135, authorising certain transactions involving Russian-origin diesel until April 2027.

On Saturday, Trump blamed Zelensky for continuing drone attacks on Russian refineries and said Ukraine should "get a new leader who can make a deal". This is not the first such announcement. Last month, Trump said on Truth Social that Russia and Ukraine had agreed not to hit each other's energy targets. Axios reported that neither side confirmed a deal at the time, and both continued attacking energy infrastructure.

YSRCP Alleges Cost Escalation in Andhra University Projects

. DEMANDS INDEPENDENT PROBE INTO REVISED ESTIMATES OF RS.210 CRORE

Visakhapatnam, TSIT: YSR Congress Party State spokesperson Konda Rajiv Gandhi has alleged irregularities in construction projects at Andhra University, questioning the increase in estimated costs from Rs.95 crore to Rs.210 crore within four months. He demanded an independent inquiry into the revised estimates and the quality of construction work. Addressing the media at the party office in Visakhapatnam, Rajiv Gandhi claimed that the estimated cost of the mega central mess had increased from Rs.14.50 crore to Rs.42.40 crore, the girls' hostel from Rs.34.80 crore to Rs.73 crore, and the boys' hostel from Rs.45.78 crore to Rs.94.50 crore.

He questioned how the estimates had increased by nearly 121 per cent and demanded that the State Government explain the reasons for the escalation. He also questioned the decision to entrust the works to APEWIDC instead of the university's civil engineering department. The YSRCP leader raised concerns over hostel infrastructure, alleging that rainwater leakage and inadequate facilities had affected students. He also questioned the non-release of the Rs.500 crore announced for the university's centenary celebrations and alleged that around Rs.300 crore belonging to the university had been diverted to the State Finance Corporation.

Rajiv Gandhi demanded an independent expert committee to examine construction works undertaken since 2014 and make quality inspection reports public. He warned that the party would launch a public agitation with student and public organisations if the government failed to respond. The allegations were made by the YSRCP spokesperson; the State Government's response was not included in the statement.

Kolkata Police serve fresh notice to Abhishek Banerjee

Kolkata, Oct 11: Kolkata Police on Sunday served a fresh notice to Trinamool Congress general secretary and Diamond Harbour Lok Sabha MP Abhishek Banerjee, asking him to appear for interrogation on Monday in connection with the August 27 scuffle involving party workers, police personnel and Kolkata Municipal Corporation (KMC) staff at his Camac Street office in central Kolkata.

The KMC staff, accompanied by police personnel, had visited the office to remove an allegedly illegal billboard.

The fresh notice directs Abhishek Banerjee, nephew of former West Bengal Chief Minister Mamata Banerjee, to appear for questioning at Shakespeare Sarani Police Station on Monday. The police station has jurisdiction over the Camac Street office.On Sunday afternoon, a team from Shakespeare Sarani Police Station visited the Diamond Harbour MP's residence in Kalighat, South Kolkata, and served the notice. Earlier, on October 8, police personnel had visited the same residence to serve a notice for interrogation. However, they could not serve it as Banerjee was in New Delhi at the time.The fresh notice is understood to have been issued following an FIR registered on the basis of a complaint filed by the KMC against several Trinamool Congress leaders, including Abhishek Banerjee.The MP has already been questioned once in the case for over six hours at Shakespeare Sarani Police Station.Tension erupted on August 27 when KMC personnel, accompanied by police, arrived at Banerjee's Camac Street office to remove the billboard. The civic officials and police personnel allegedly faced resistance from Trinamool Congress workers led by Abhishek Banerjee and other party leaders, resulting in scuffles at the spot.

According to the three FIRs registered at Shakespeare Sarani Police Station, police have accused Trinamool Congress activists of assaulting on-duty personnel and attempting to outrage the modesty of a woman police officer. Abhishek Banerjee, party leader and Rajya Sabha member Derek O'Brien, and other Trinamool leaders, including Humayun Kabir and Baishwanar Chatterjee, were named in two of the three FIRs. Police have arrested 14 people in connection with the incident so far.

One killed, houses burnt in clashes between two communities in Nagaland

Kohima, Oct 11: At least one person was killed and another injured, several houses were burnt and dozens of people displaced in clashes between the Yimkhiung and Tikhir communities in Nagaland's Kiphire district, prompting the administration to impose prohibitory restrictions and appeal for peace, officials said on Sunday.

Police said the situation remained tense in parts of Pungro sub-division following the violence on Saturday during celebrations of the Tikhir community's Tsonglak-Nyi festival in villages inhabited by members of both communities.Additional security forces have been deployed in vulnerable areas to prevent further escalation, officials said.

According to a report from the district administration, the violence affected Pungro town and the villages of Zaonger, Longtsunger and Pokphur. In Pungro town, eight houses were vandalised and six burnt, displacing more than 47 people. In Zaonger village, around 40 houses were burnt or vandalised, forcing residents to flee their homes. At Longtsunger village, one person belonging to the Tikhir community was killed and another injured in a gunfight, officials said.

The extent of damage to houses and the number of people displaced in Longtsunger and Pokphur could not be immediately ascertained.

The district administration and police personnel rushed to the affected areas after receiving reports of violence but initially faced resistance while attempting to enter some locations, according to the administration's report.

The District Magistrate has imposed prohibitory restrictions under Section 163 of the Bharatiya Nagarik Suraksha Sanhita (BNSS), 2023, in parts of Pungro sub-division, apprehending further escalation and a breach of peace. Deputy Commissioner Temsuwati Longkumer, in a public advisory issued on Sunday, appealed to community organisations, village authorities and individuals to exercise restraint and refrain from making provocative statements, engaging in intimidation or circulating unverified information.

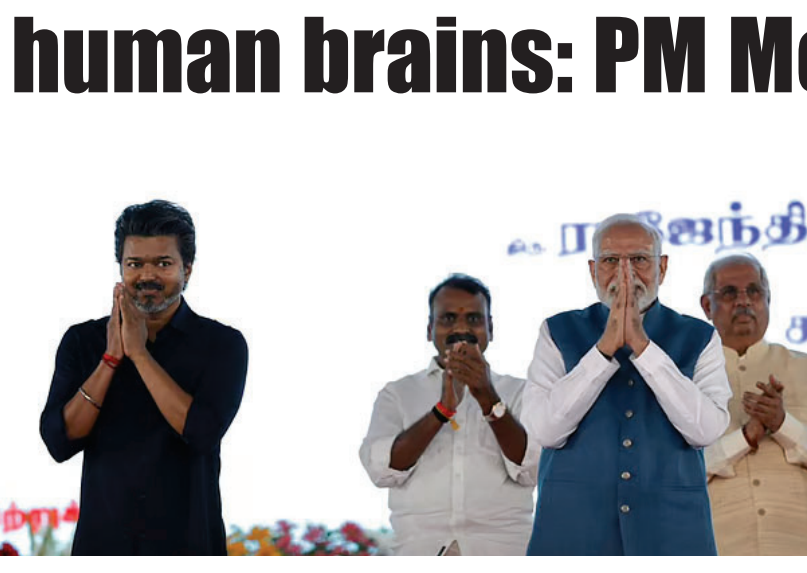

The administration urged residents to comply with the prohibitory orders and cooperate with the police and civil authorities. Village councils, tribal organisations and community leaders were also asked to discourage retaliatory action and help resolve differences through dialogue.

The United Sangtam Likhum Pumji (USLP), in a peace advisory issued on October 10, also called for restraint and cooperation with the district administration and law enforcement agencies. The organisation warned individuals and groups against creating tension or disturbing law and order in areas under its jurisdiction in Kiphire district.

Nagaland Deputy Chief Minister Yanthungo Patton, who also holds the Home portfolio, appealed to both communities to maintain calm and cooperate with law enforcement agencies. He stressed that differences could be resolved only through peaceful dialogue.
